

LUTTERWORTH COLLEGE
ENABLING EVERY YOUNG PERSON TO LEARN, FLOURISH AND SUCCEED

COLLEGE NEWSLETTER – 28TH JUNE 2019

DEAR PARENTS & CARERS,

Welcome to the school's weekly newsletter.

In some schools, the final few weeks of term post-examinations can see things 'winding down' for the summer. Not so at Lutterworth College – where we're busier than ever! It's been an exciting week indeed. We've had Year 5 students from our feeder primaries come to join us for some secondary taster days; we've had enhanced transition days for some of our incoming Year 7 students; we've had a Higher Education morning for our current Year 12s; and we've been introducing our current Year 9s and 10s to the World Challenge they have the opportunity to take part in. Our student magazine team have also published the superb final issue of Sapere Aude for the year, which you can find on the English blog: englishatlc.com.

On Tuesday, we welcomed the new teachers joining our growing school for the 2019/20 academic year – and I was lucky enough to spend the day introducing them to the College, its students and its staff. We have recruited some outstanding teachers – and we're looking forward to them getting to meet their classes after the summer break.

This week has also seen us bid farewell to our outgoing Year 11 students, whose prom took place at the King Power Stadium on Monday. It was an emotional evening for all – but heartening to see the cohort get the opportunity to celebrate two years of hard work at the College. Tonight sees us saying goodbye to our Year 13s – many of whom have been with us for four years. Their prom is taking place at the Leicester Tigers ground. They've done themselves and the College proud, and staff will be there to celebrate with them.

After what is predicted to be a scorching weekend, we'll be returning to another packed week at the College from Monday – with induction for our new Year 12 students on Monday and Tuesday, Sports Day on Thursday, and our reward trips on Friday. And the excitement will continue into the weekend: our Sixth Form Open Morning takes place on the morning of Saturday 6th June, and is the perfect opportunity for students currently in Year 10 to see what the College has to offer at Post 16. On the same day, in the afternoon, we have our Colour Run, organised by the Friends of Lutterworth College (FOLC) group. You can get hold of tickets for both events on our website – and we'd love to see you there.

Have a lovely weekend.

Deputy Headteacher

WAITROSE 'COMMUNITY MATTERS' SCHOOL LIBRARY

Throughout July you can contribute to our school library through the Green Token Scheme at Waitrose in Lutterworth. Our librarian, Rita Johnson, has done an excellent job in ensuring that we have been nominated for this and we will be very grateful for any contributions you can make via this scheme.

'Lutterworth College serves the local community and believes that every young person should be given the opportunity to learn, flourish and succeed. They are looking to develop and expand the reading area of the college and wish to purchase a new seating unit and increase the number of reading books available to pupils. Any money raised will be used for this.'

WORLD CHALLENGE EXPEDITION 2021 VIETNAM & CAMBODIA

Our year 9 and 10 students attended a presentation this week about our exciting 2021 expedition to Vietnam and Cambodia. World Challenge will be presenting to parents and students on Tuesday 2nd July at 6.30pm in the main hall. If students are intending to stay on into the 6th form at Lutterworth College and are interested in participating in the expedition, they should return their reply slip to student reception by the end of the school day on Monday 1st July. Student letters were given out during the presentation that students attended this week.

THE DUKE OF EDINBURGH'S AWARD

"Millions of young people in the UK have already taken part in the world's leading youth achievement award – pushing personal boundaries, gaining new skills and enhancing their CVs and university applications."

If you are interested in participating in the award, Lutterworth College offers all levels (Bronze, Silver and Gold).

Please email Mr Bailey at c.bailey@lutterworthcollege.com for more information.

"Completing both my Bronze and Gold DofE Awards has taught me that the challenges and pain you face along the way are only temporary, the success and achievement lasts a lifetime! My DofE programmes have helped mould the person that I am today. I can't even imagine what I'd be doing today had I not taken part; I wouldn't have the friendships I've made, I wouldn't have had so much success in employment and I most definitely wouldn't be as confident as I am today."

YEAR 5

SECONDARY SCHOOL EXPERIENCE DAYS.

Throughout this week we have welcomed 13 of our feeder primary schools for an experience of life at secondary school. Over 350 Year 5 children have completed activities including bridge building in Design and Technology, team building in PE and slime and bath bomb making in our Science department.

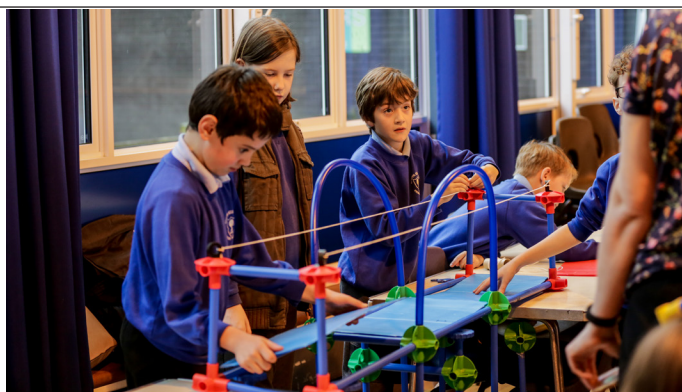

Throughout the week these children have been supported by our Year 7 students who have been fantastic role models to these younger children and superb ambassadors for the school.

Students achieving a Bronze, Silver or Gold certificate celebrated their success at the Awards Ceremony, presented by Headteacher Mr Summers.

270,000 of the UK's top mathematicians enter this competition, designed to provoke students' mathematical thinking and test their problem solving skills in an accessible and yet challenging way. This Year, our students achieved 2 Golds, 9 Silver and 19 Bronze awards. Congratulations!

NATIONAL SUCCESS

FOR 14 LUTTERWORTH COLLEGE GIRLS

Last weekend, 14 of our Music students from Year 8 - Year 11 competed in the Girls National Barbershop Quartet Contest in Birmingham in 6 different Quartets! The event was hosted by The Ladies Association Of British Barbershop Singers (LABBS), and the girls had to sing in Quartets of 4 singers, each singing their own Acapella part with no assistance or backing tracks!

The students had been rehearsing since the beginning of March at lunchtimes and after school, and made amazing progress in a relatively short period of time!

All the students had an amazing day in Birmingham and were made to feel very welcome by LABBS, who were extremely supportive throughout the planning and preparation stages, even providing us with our own dressing room so the girls could all get ready together!

The students involved were as follows:

The Minor Four – Hannah Lewin, Megan Barnes, Juliette Draper, Paige Day

Neopolitan – Poppy James, Katie Ashby, Isola Earp, Jess Hardy

The Bitteswell Belles – Hannah Lewin, Sophie Meadows, Jess Lewin, Paige Day

Auburn Place – Jennifer Hendry, Georgie Eggleton, Isola Earp, Lexie Crofts

The Laurels – Poppy James, Georgie Eggleton, Amelie Draper, Lexie Crofts

High and Mighty – Jennifer Hendry, Katie Ashby, Jess Lewin, Jess Hardy

We are thrilled to say that at the end of the contest our school Quartet 'Neopolitan' were crowned the NATIONAL CHAMPIONS, featuring Poppy James, Katie Ashby, Isola Earp and Jess Hardy!!!

LABBS have also invited them to perform in Llandudno in October at the 'Show of Champions' at the National Convention in front of 1500-2000 people alongside the UK Quartet and Chorus Champions and the 2008 World Quartet Champions 'OC Times'!

A massive congratulations to all students for their hard work – the feedback from the audience and judges at LABBS was amazing – they did the College proud and were great representatives for us all!

If you want to watch 'Neopolitan's performance, it's available on YouTube at the following link - <https://youtu.be/bfd6mWZ3XD8>
