

LUTTERWORTH COLLEGE
ENABLING EVERY YOUNG PERSON TO LEARN, FLOURISH AND SUCCEED

COLLEGE NEWSLETTER – 7TH JUNE 2019

DEAR PARENTS & CARERS,

Welcome to the school's weekly newsletter.

As a Church of England school, Lutterworth College was inspected under Section 48 of the Education Act 2005 on the 16th & 17th May 2019. Our school's last SIAMS inspection was in 2013.

If you want to read the full report it is on the College website. The two judgements given were:

Overall Judgement: Good

Collective worship judgement: Good

As with the OFSTED inspection in late 2017 the grades given to Lutterworth College match the reflective judgements of the school's leadership prior to the inspection.

We are rightfully very proud and pleased with the content of the report. As with the recent OFSTED report it gives the school a platform on which to build our journey to outstanding & excellence.

The Key Findings of the report are:

- The school has a powerful Christian vision which has considerable impact on the lives of all pupils, and is particularly evident in the pastoral care system
- The school has a strong and effective senior leadership team with a clear understanding of the vision and a development programme to further embed it in the life of the school
- Religious Education is very effective, and this is clearly evident in the ability of pupils to speak readily and confidently about religious and spiritual matters
- Collective worship is well planned to communicate the vision. Pupils engage readily and understand the relevance to their lives

I would like to take this opportunity to thank all who contributed towards this report not least the parents that attended as part of the inspection process.

Enjoy the weekend

Nick Summers

WORLD CHALLENGE EXPEDITION 2021

VIETNAM & CAMBODIA

Following on from last year's hugely successful expedition to India we are pleased to announce that our second World Challenge expedition will take place in the summer of 2021. The chosen destination for this expedition is Vietnam & Cambodia where an exciting itinerary will include a trek phase, community involvement phase and rest and relaxation phase. This opportunity is available to all current Year 9 & 10 students who are staying on to Lutterworth College Sixth Form.

UPDATE! World Challenge representatives will be coming into the College to launch this amazing opportunity to our current year 9 and year 10 students on Wednesday 26th and Thursday 27th June during their scheduled assemblies. Interested students will be able to collect a letter informing them of a parents evening which will take place the following week.

FRIENDS OF LUTTERWORTH COLLEGE (FOLC) MESSAGE

MUSICAL INSTRUMENTS – CAN YOU HELP?

They say music is good for the soul. In fact, it's better than that, it's great for our health and well-being, so it seems fitting that we ask – during the recent focus on Mental Health Awareness – for help for our music department.

Unfortunately, the department is running low on instruments, owing to some expensive (and some impossible!) repairs and as we know, funding in school's is very challenging.

We at FOLC (Friends of Lutterworth College) are hoping that some of you may have unwanted, pre-loved musical instruments languishing in a cupboard or gathering dust in an attic, which the students at our school could be breathing (literally & physically) fresh life into.

Do you have a guitar? A keyboard? Anything... a set of drumsticks even, that could be donated to this worthy cause?

Music education is described as being in a 'perilous state' and is disappearing from many schools, so we are very lucky to have a school that is committed to maintaining music and the arts on the curriculum. Let's help them inspire the next Lennon & McCartney by giving them the instruments they need to help them shine.

Any donations can be dropped off to Mr Lubkowski in the school's music department.

ATHLETICS REPORT

THURSDAY 23RD MAY

On Thursday 23rd May we took 70 students to The Saffron Lane Athletics stadium to represent the College in our local area sports competition. Students from year 7, 8, 9 and 10 represented the college in a variety of track and field events ranging from the Javelin to Triple Jump and the 100 metre sprint. All students represented the College with pride and effort and showed exceptional levels of sportsmanship in competition. As a result of the hard work and outstanding athletic ability our students displayed, we have a record number of students that have been selected to represent the County team on Saturday 8th June. The list of students are below:

Congratulations to all of our students that took part, we are incredibly proud of you.

SPORTS REPORT

CRICKET:

The year 7 cricket team have won both of their cricket fixtures this term, firstly beating Robert Symth Academy, Chris Head top scoring and anchoring the team to a plus 130 score off 20 overs. In the bowling Harrison Taylor starred,

bowling his 4 overs conceding just four runs and picking up three wickets. Supported strongly by Alex Fox, George Bailey and Noah Pepper. The boys wining comfortably. In there 2nd game against Manor High school the bowlers were relentless, bowling the opposition out for 70, Peter Edwards, Sam Crowson, Daniel Haddon, Freddie Brady and Dan Ayriss all contributing with the ball and Xander Goward providing excellent support in the field. The boys flew to the target with over 7 overs left, Dan and Alex providing a good platform for Harrison to come in and hit a quickfire 25, including two massive sixes.

The boys are now looking forward to their next fixture against Crown Hills school.

LOUGHBOROUGH UNIVERSITY MULTISPORT COMPETITION.

The KS3/KS4 inclusive sports team excelled at Loughborough University for the inclusive games final.

Firstly in the boccia, Chris and Alex Turnbull, supported by Charlotte Ward and Sam Kilby won bronze medal in the boccia event.

A mixed KS3/KS4 sitting down volleyball team comprised of Sam Wyatt, Nathan Britain, Chloe Tansley, Jonathon Gardner-Wilson won gold medals, winning all of there games with ease.

Following on from this success, Sam Wyatt, Chris and Alex Turnbull were asked to be part of a project with the University looking at inclusive sport. They have been working closely with people from the University on this and have made a presentation that will be delivered to various major stakeholders involved in inclusive sport in the coming weeks. A massive well done to all of the people involved, you have been awesome!

SIXTH FORM COMPETITIVE ENTRY UNIVERSITY EXPERIENCES

Earlier this week, six of our year 12 students attended a workshop at Robert Smyth Academy, delivered by school liaisons from both Oxford and Cambridge. This was a great opportunity to learn more about the application process, most significantly how the students will go about evidencing their involvement in 'super curricular' activities linking directly to their Oxbridge course. The students found this to be a valuable experience and will be attending a follow up session in October where they will learn more about how to effectively prepare for the latter stages of the application process, focusing on both admissions tests and interviews.

Laura Busch, a past student of the College now studying Veterinary Medicine, will be visiting us on Friday for a Q&A session. This will be an excellent opportunity for our prospective veterinarians to gain insight into the application process and the profession itself. We really appreciate the time Laura is taking out of her busy schedule to support our current students.

HOMework CLUB

DIFFICULTY PERSUADING YOUR CHILD TO COMPLETE HOMEWORK WHEN THEY'D RATHER BE DOING SOMETHING DIFFERENT INSTEAD?

Students can often prefer to keep their school life and home life separate and this is possible in the younger years but can become more challenging as students progress through the school years.

We offer the opportunity for students to remain in the school library from 3.15pm until 4.30pm Monday to Thursday each week to complete homework before they return home.

What we offer:

- 2 members of staff available in the library to support with homework - we do not do it for them!

- Students can ask for guidance or can work completely independently in a quiet and supportive environment.

- Access to school computers to check on Show My Homework and use other school systems

- Juice and toast is available in the Heritage Room from 3.15pm – 3.30pm to provide an energy boost before starting homework

- Homework club is open to all year groups

What we expect from students:

- Ensure that they are focussed on homework and learning

- If all homework has been completed, use the time to read a book quietly, this is proven to enhance knowledge and supports the ability to produce interesting writing and improves concentration

- Quietly practice or extend learning by using educational packages such as Mymaths or Seneca Learning

- Work in a quiet and sensible manner

- Show respect in maintaining a quiet environment for other students

All are welcome to homework and we look forward to seeing your child in the remainder of this year or next.

Homework club will finish for this year on Thursday 27th June 2019 and will re-start in September.

Homework Club does not run on the evenings of Parental Engagement Evenings

LUTTERWORTH COLLEGE, ENABLING EVERY YOUNG PERSON TO LEARN , FLOURISH AND SUCCEED.

UPCOMING EVENTS

13TH MAY – 28TH JUNE
GCSE & A level examination period

27TH MAY – 31ST MAY
Half Term

12TH JULY
last day of the academic year – Finish 1.30pm

NEXT WEEK'S 'THOUGHT FOR THE WEEK'

Be strong and be of good courage. Do not fear nor be afraid. Deuteronomy 31:6

THE BIG SING

MONDAY 1ST JULY

A free singing event for the local communities around Lutterworth College – staff, students, parents and all others are welcome to attend an evening of uplifting singing, led by our Music Teacher (and award winning Choral Director and Singer) Simon Lubkowski. You'll be provided with all you need to listen and learn the chosen song beforehand, but will also be taken through the whole process on the night itself! There will be a final performance at the end of the evening and we encourage you all to bring a friend or two, or three!

The main aim of 'The Big Sing' is to enjoy communal singing in a large group, but we also hope to showcase some of our talented students during the evening as well, so please join us for a fun filled event, that will also be great for your mental health (so the studies say!)

Book your place here: <http://bit.ly/2KpHj7U>

THE BIG SING

MONDAY 1ST JULY
LUTTERWORTH COLLEGE MAIN HALL
18:30-21:00

A Vocal Workshop led by Award Winning singer and Choral Director
Simon Lubkowski (Music Teacher at Lutterworth College)

You don't have to be able to read music (although it's great if you can!), and all materials, learning tracks and words/music will be supplied to you before the event!

Places are limited, so to reserve your place, please visit
www.lutterworthcollege.com and click on the 'Big Sing' link
E-Mail s.lubkowski@lutterworthcollege.com for more info

THE SUMMER FESTIVAL

WEDNESDAY 3RD JULY

A musical celebration of the wonderful and varied talents of students from Lutterworth Colleges' Music Department. Featuring an outdoor acoustic/karaoke stage as well as the main indoor stage, this event will be a great way to mark the end of a successful year for the College.

There will be refreshments available from 5:45pm with the Outdoor Stage entertainment starting from 6pm, and the Main Stage going live from 7:00pm. The event is due to finish by around 9:00pm.

Adults £5 | Students/Concessions FREE!

Get your tickets here: <http://bit.ly/2XmPpBF>
